PROFESSIONAL EXPERIENCE

PRODUCT MANAGEMENT INSTRUCTOR (PART-TIME)

Jan 2025 - Present

VAA GLOBAL TECH HUB - Ikeja, Lagos

- Deliver interactive training sessions on core product management concepts, including market research, user-centric design and product lifecycle strategies.
- Design and facilitate hands-on workshops and real-world case studies to strengthen students' practical skills.
- Provide one-on-one mentorship to aspiring product managers.
- Guide learners on career development, including crafting competitive resumes, preparing for interviews and navigating the job market.
- Collaborate with the curriculum team to continuously improve course content and ensure alignment with industry trends and best practices.

PRODUCT MANAGER

Jul 2024 - Jan 2025

InvoiceU - Abeokuta, Ogun State

- Collaborated within Team Zeus, a 9-member cross-functional team, to define product success metrics, align stakeholder expectations and establish measurable goals for six months.
- Led the creation of a detailed product roadmap, identifying critical milestones and dependencies that enabled the successful MVP launch of InvoiceU within one month.
- Provided technical oversight and strategic direction to a 5-person engineering team, ensuring adherence to quality standards, timelines and product requirements throughout development.

PRODUCT MANAGER INTERN

Jan 2024 - Jun 2024

Grazac - Abeokuta, Ogun State

- Created over 10 product requirement documents, 20+ user stories, and wireframes within 5 weeks, contributing to the rapid development of innovative, market-ready products.
- Developed a comprehensive 10-page product management guide, standardizing workflows and serving as a core training resource for incoming interns.
- Collaborated closely with the design team to deliver 10+ user-centric product interfaces.

DEPUTY PROJECT MANAGER

Nov 2023 - May 2024

Lagos Students Career Expo - Lagos State

- Coordinated tasks within an agile team to attract 2,500+ participants from 13+ schools in 2 states.
- Co-led a 10-member team to secure ₦5M+ in funding for career development initiatives.
- Monitored project updates and timelines, improving team efficiency by 30% in two months.
- Managed 35 Campus Ambassadors across Lagos to facilitate the transport of 2,000+ students to the event venue.

NOTABLE PROJECTS

InvoiceU — Web-Based Invoicing Platform

A streamlined online invoicing solution designed to simplify financial management for small and medium-sized businesses. Features include customizable invoice templates, client and project tracking, and centralized billing management. Currently in development, with initial rollout targeted for the web platform.

Marketplace Afrika — Multi-platform e-commerce solution

An e-commerce platform designed to facilitate buying, selling and housing opportunities, particularly tailored to students and young professionals. Key features include product catalog management, secure payment processing, financing options and property listings. Built with user experience in mind, the platform empowers users with a seamless and intuitive digital shopping experience.
